

Data Subject Access Request - CUE

The Motor Insurers' Bureau (MIB) is the data controller for the Claims and Underwriting Exchange (CUE), a central database of motor, home, personal injury and industrial illness incidents reported to insurance companies which may or may not have given rise to a claim.

The easiest way to request the information MIB holds about you on the CUE database, is to complete the following Data Subject Access Request.

Please note, this request will not return any information relating to your motor insurance policy, claims made to MIB, written-off vehicles or 'No Claims Discounts'.

About you						
Full name:						
Date of birth:	/	/				
Current address:						
Daytime telephone no:						
Email address:						
National insurance no.:						
Gender:	Female:		Male:		Unspecified:	

Previous name:					
Previous address: (for the last six years)					
Resident from:		To:			
Previous address:					
Resident from:		To:			

*If you need to add additional addresses, please continue on a separate sheet.

Proof of identity
