- (8) If after a Member's Levy has been called, a Member notifies the Bureau, or it appears to the Bureau, that a Member's annual return upon which the apportionment of that Member's Levy was based is incorrect or if, following a provisional apportionment of the Member's Levy made pursuant to Article 22(10)(b), the Bureau receives that Member's annual return then:
- (a) the Bureau shall in the case of an overpayment by a Member, refund the overpayment;
 - (b) in the case of an underpayment by a Member, the Member shall pay to the Bureau the amount so underpaid on demand, together with (other than in the case of an underpayment occasioned by reason solely of an overpayment made by another Member or Members) interest on the underpaid amount from the date that the Member's Levy which was so underpaid became due until the date on which the amount of the underpayment is paid in full to the Bureau by the Member. The rate of interest shall be 4 per cent per annum above the base rate from time to time of such UK clearing bank as the Bureau may from time to time nominate; and
 - (c) such additional payment or refund due from or to any Member pursuant to this Article 22(8) shall be made in one payment in the next October, or as soon as reasonably practicable, following the receipt by the Bureau of the corrected or late annual return occasioning the additional payment or refund.
- (9) Each Member shall:
- (a) supply the Bureau with a copy of each of its annual returns on or before 1 May in the Year following that to which the return relates;
 - (b) supply such information, on request by the Bureau, which facilitates calculation of the Member's Levy; and
 - (c) upon receipt of a written Member's Levy demand from the Bureau, promptly meet the same.
- (10) To reflect the administrative inconvenience and budgeting difficulties that may be faced by the Bureau and its Members as a result of the late delivery to the Bureau of a Member's annual return:
- (a) each Member shall pay to the Bureau on demand compensation for each day for which that Member's annual return is overdue (and unless determined otherwise

by the Members in General Meeting or in a resolution in writing of the Members the amount of such compensation shall be £1,000 per day); and

- (b) where the relevant LP referred to in Article 22(3) is not available for any Member as a result of the Member's annual return being overdue by 20 days or more, 120% (one hundred and twenty per cent) of that Member's relevant LP for the previous Year may be used at the discretion of the Bureau for provisionally apportioning the Levy amongst the Members (but without prejudice to the Bureau's rights under the foregoing provisions of this Article 22 or otherwise).
- (11) Where the Bureau determines at any time in its discretion that the Levy is greater than that required by the Bureau for any current or subsequent Year then each Member shall receive a refund of their proportion of the Member's Levy that is greater than that required by the Bureau as soon as is reasonably practicable following such determination that Levy is greater than that required by the Bureau.
- (12) Each Member who uses the Portal shall pay the Bureau Portal Levies for use of the Portal upon the following terms:
- (a) the amount charged to the Bureau or any subsidiary of the Bureau by Portal Co for use and operation of the Portal by Members will be paid by Members to the Bureau as Portal Levies.
 - (b) The amount of individual Portal Levies of each Member will be based upon the charges recharged by Portal Co to the Bureau or any subsidiary of the Bureau for that Member's individual use of the Portal as calculated by the pricing mechanism for such usage agreed between Portal Co and the third party who provides the Portal as a service to Portal Co.
 - (c) Each Member shall pay their own Portal Levies as and when such Portal Levies are demanded by the Board.

23. **Commencement and Cessation Levy Provisions**

- (1) In the first Year of membership a Member will be required to pay a provisional levy based upon the Business Plan forecast of first Year premium incomes submitted on application for membership of the Bureau. After the first twelve months of membership this will be adjusted such that the first levy is based upon the relevant premium income in the Year of commencement of membership.
- (2) A Member's Levy will continue to be assessable on and payable by a Member for twelve Months from the date of termination of membership pursuant to Article 17 or Article 18 and such Member's Levy shall be assessed on that Member's GWP for either the last full Year

in which it carried on such motor business or the last 12 Months of carrying on such business, whichever is the greater.

24. **Late Payments**

If any Member fails to pay on the due date any amount payable by it under these Articles:

- (1) it shall forthwith on demand by the Bureau pay interest on the overdue amount from the due date up to the date of actual payment at the rate of 4 per cent per annum above the base rate from time to time of such UK clearing bank as the Bureau may from time to time nominate; and
- (2) it shall indemnify the Bureau against all costs, charges and expenses (including legal fees) incurred by the Bureau in collecting the overdue amount (including any interest thereon).

25. **Deductions and Set Off, Satisfaction of Claims and Reimbursement**

- (1) All sums payable by a Member to the Bureau shall be paid without deduction, each Member bearing all transmissions, tax, exchange or other costs and in the currency as the Board shall determine from time to time.
- (2) The Bureau retains the right to set off any monies due to it from any Member against any monies due and payable by the Bureau to that Member.
- (3) Without prejudice to the provisions of Article 75(4), if it appears to the Bureau to be expedient, in order to further the objects of the Bureau, the Bureau may itself, at its discretion, settle or compromise any claim made against any Member or satisfy any judgment obtained in a court of competent jurisdiction against any Member, irrespective of the subject matter of the claim or judgment and in any such case the Bureau shall be entitled to recover the sum paid by it from the relevant Member.

GENERAL MEETINGS

26. The Board may call General Meetings and, on the requisition of Members pursuant to the provisions of the Act, shall forthwith proceed to convene a General Meeting in accordance with the provisions of the Act.
27. The Board may whenever it thinks fit convene a General Meeting.
28. General Meetings shall be called by at least fourteen clear days' notice but a General Meeting may be called by shorter notice if it is so agreed by a majority in number of the Members having a right to attend and vote being a majority together holding not less than ninety (90) per cent of the total voting rights at meetings of the Members.

29. The notice shall specify the time and place of the meeting and the general nature of the business to be transacted and shall be given to all the Members and to the Board and the Auditors.
30. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.
31. Subject to the provisions of the Act, a resolution in writing signed by the required percentage (as set out in the Act with reference to the subject matter of such resolution in writing) of the Members for the time being entitled to attend and vote at General Meetings shall be as valid and effective as if the same had been passed at a General Meeting of the Bureau duly convened and held.

BUSINESS AT GENERAL MEETINGS

32. The Chairman of the Board or in his absence the Deputy Chairman (if any) of the Board or some other person as the Board may appoint shall preside as Chairman at every General Meeting.
33. No business shall be transacted at any General Meeting unless a quorum is present when the meeting proceeds to business. Save as herein otherwise provided, ten persons entitled to vote upon the business to be transacted, each being a Member or a proxy for a Member or a duly authorised representative of a corporation, shall be a quorum.
34. If within half an hour from the time appointed for the holding of a General Meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place, or at such other time and place as the Chairman shall appoint, and if at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting the Members present shall be a quorum.
35. The Chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn a meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than business which might have been transacted at the meeting from which the adjournment took place. If a meeting is adjourned for 20 days or more, notice of the adjourned meeting shall be given in the same manner as of an original meeting. Save as aforesaid, the Members shall not be entitled to any notice of any adjournment or of the business to be transacted at an adjourned meeting.
36. At all General Meetings a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or upon the declaration of the result of, the show of hands a poll is demanded in writing by the Chairman or by at least three persons having the right to vote at the meeting, and unless a poll is so demanded a declaration by the Chairman of the meeting that a resolution has been carried, or has been carried unanimously or by a particular majority, or lost, or not carried by a particular majority, shall be conclusive, and an entry to that effect in the minute book of the Bureau

shall be conclusive evidence thereof, without proof of the number or proportion of the votes recorded in favour of or against that resolution.

37. If a poll is demanded as provided above, it shall be taken at such time and place, and in such manner, as the Chairman of the meeting shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
38. No poll shall be demanded on the election of a Chairman of a meeting or on any question of adjournment.
39. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting shall be entitled to a casting vote, but otherwise shall not be entitled to vote.
40. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

VOTES OF MEMBERS

41. **Votes of Members**

Where a Member has not ceased to carry on motor business pursuant to Article 17:

Show of hands

43. **Subsidiaries**

The votes of a Member on a poll shall be based upon the LP of that Member alone excluding that of any Parent or Subsidiary company of that Member.

44. **Commencement provisions**

Upon commencement of membership of the Bureau a Member shall be immediately credited with 1 vote on a poll and subsequent changes in the number of that Member's votes shall be calculated in accordance with Article 42.

45. **Proxy Votes**

- (1) Any Member entitled to attend and vote may appoint another person (whether a Member or not) as his proxy to attend and vote instead of him. A proxy appointed to attend and vote instead of a Member has the same right as the Member to speak at the meeting.
- (2) A Member is not entitled to appoint more than one proxy to attend on the same occasion and a proxy is not entitled to vote except on a poll.
- (3) In the case of an instrument in writing, the instrument appointing a proxy, or any other document necessary to show the validity of, or otherwise relating to, the appointment of a proxy must be received by the Bureau at its registered office no less than 48 hours before a meeting or adjourned meeting in order that the appointment may be effective.

such appointment must be received at such address not less than 48 hours before the time for the holding of the meeting or adjourned meeting at which the person named in the appointment proposes to vote.

- (5) A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of the determination was received by the

Bureau at the office or such other place at which the instrument of proxy was duly deposited or, where the appointment of the proxy was contained in an electronic communication, at the address at which such appointment was duly received before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

THE BOARD

46. The number of the members of the Board shall not be less than 7 nor more than 16. Save for the Executive Directors and the Chairman, no person shall be eligible for appointment to the Board unless he is employed by a Member (whom he shall be deemed to represent). The members of the Board (with the exception of the Executive Directors and the Chairman) shall so far as possible (but without imposing any obligation or conferring any rights upon the Members, the Bureau or the members of the Board) be representative of the Members.
47. Save for the Executive Directors, no person shall be eligible for appointment to the Board unless he or she holds a similar position elsewhere. In case of dispute in this connection the decision of the Chairman shall be final and binding.
48. **Period of Service**
- (1) Subject to the following paragraphs of this Article 48 and to Articles 52 and 53, each member of the Board shall serve for a maximum period of 3 years from the date of the appointment to the Board. At the end of this period that member of the Board shall immediately resign but shall be eligible for re-appointment for a second period of up to 3 years. At the end of this second period that member of the Board shall immediately resign but shall be eligible for re-appointment for a third period of up to 3 years (and so that such member of the Board may be re-appointed to the Board twice only).
- (2) The provisions of Article 48(1) shall not apply to the Chairman from the date of his appointment as such. The Chairman shall serve on the board for the period of his office determined pursuant to Article 56(1). At the end of that period he shall immediately resign but shall be eligible for re-appointment either as Chairman or simply to the Board. At the end of this second period he shall immediately resign but shall be eligible for re-appointment either as Chairman or simply to the Board (and so that he may be re-appointed under this Article 48(2) twice only) and provided that the maximum period of appointment as Chairman and/ or to the Board may be for a maximum continuous period of nine years from his date of first appointment as Chairman.
- (3) If during any period of office any member of the Board (excluding any Executive Director) ceases to be employed by a Member, the Board may at its discretion allow such member

51. Subject to these Articles, the Bureau may by ordinary resolution appoint a person who is willing to act to be a member of the Board either to fill a vacancy or as an additional member of the Board.
52. The Board may appoint a person who is willing to act to be a member of the Board, either to fill a vacancy or as an additional member of the Board, provided that the appointment does not cause the number of members of the Board to exceed 16. A member of the Board so appointed shall hold office only until the General Meeting or resolution in writing of the Members in the next financial year of the Bureau in respect of which such appointments are considered. If not reappointed at such General Meeting or pursuant to such resolution in writing of the Members, he shall vacate office at the conclusion thereof or the date such resolution in writing is passed.
53. The Members in General Meeting or in a resolution in writing of the Members may by ordinary resolution remove any member of the Board before the expiration of his period of office and may by ordinary resolution appoint another person to the Board in his stead, but any person so appointed shall serve so long only as the member of the Board in whose place he is appointed would have served if he had not been removed.

The continuing members of the Board may act notwithstanding any vacancy in their body, provided always that if the members of the Board shall at any time be reduced in number to less than the minimum number prescribed by or in accordance with these Articles, it shall be lawful for them to act for the purpose of filling up vacancies in their body or of summoning a General Meeting but not for any other purpose.

56. (1) The Board shall from time to time appoint one of its number (not being a member of the Board who has previously been appointed as Chairman) to be a Chairman and may appoint a Deputy Chairman (who may, for the avoidance of doubt, have previously held the office of Chairman or Deputy Chairman) in each case for such period not exceeding four years and upon such terms as may be agreed. The Chairman or in his absence the Deputy Chairman shall preside at meetings of the Board and perform such other duties as the members of the Board may agree from time to time.

Any director may participate in a meeting of the Board by means of telephone or other means of communication whereby all persons participating in the meeting can speak to each other and hear each other speak. Participation in a meeting in this manner shall constitute presence in person at such meeting and be counted in the quorum accordingly. In the absence of a majority, the Chairman's location shall be deemed to be the place of the meeting.
62. A member of the Board who, in relation to any matter in which he, or any member company that he represents, has, directly or indirectly, an interest or duty which conflicts (or may conflict) with the interests of the Bureau, has a duty to declare the nature of his interest at that meeting of the Board, and additionally such member of the Board may not vote at that meeting of the Board, nor form part of the quorum present at that meeting.

Such committee or committees shall have the power to co-opt any person to act in an advisory but non-voting capacity.
64. All acts performed in good faith by any meeting of the Board or of any committee of the Board, or by any person acting as a member of the Board, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any member of the Board or that they or any of them were disqualified from holding office or had vacated office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a member of the Board.
65. The Board shall cause proper minutes to be made of all appointments of officers made by the Board and of the proceedings of all meetings of the Bureau and of the Board and of committees of the Board and all business transacted at such meetings. Any such minutes of any meeting, if purported to be signed by the chairman of such meeting, or by the chairman of the next succeeding meeting, shall be sufficient evidence without any further proof of the facts therein stated.
66. A resolution in writing signed by all the members for the time being of the Board or of any committee of the Board shall be as valid and effectual as if it had been passed at a meeting of the Board or such committee of the Board duly convened and constituted.

71. The Board shall lay before the Members in General Meeting an income and expenditure account for the period since the last preceding account, together with a balance sheet made up as at the same date. Every such balance sheet shall be accompanied by a report of the Board and a report of the Auditors, and a copy of such account, balance sheet and reports shall not less than twenty-one days before the date of the meeting be sent to all persons entitled to receive notices of General Meetings. Should the Board resolve not to lay such documents before the Members in General Meeting but to send copies of the same to all persons entitled to receive notice of General Meeting instead, the Board shall comply with the time limits set out in this regard pursuant to the provisions of the Act.

AUDIT

72. Once at least in every Year the accounts of the Bureau shall be examined and the correctness of the income and expenditure account and balance sheet ascertained by a properly qualified auditor.
73. An auditor shall be appointed and his duties regulated in accordance with The Act.

 - (a) the certificate of insurance has been surrendered to the insurer by the policyholder, or (in the case of a certificate which is not in electronic form) the policyholder has made a Statutory Declaration stating that the certificate has been lost or destroyed, or

- (b) the insurer has commenced proceedings under the Road Traffic Act 1988 in respect of the failure to surrender the certificate.

For the purpose of (a) and (b), the references to *'surrender'* , *'surrendered'* and *'Statutory Declaration'* bear the same meaning as under the Road Traffic act 1988 and for the purpose of (iii) 'cancelled' means cancellation by specific request of the insured, or strictly in accordance with the power of cancellation contained in the Member's contract for the risk, notwithstanding that such contract may not have been issued (provided that where an intermediary cancels the policy and the certificate of insurance has been surrendered to the intermediary, either as agent for the Member or under the terms of any separate agreement between the intermediary and the insured, cancellation of the policy must be exercised strictly in accordance with the Member's standard form of contract for the risk and there must be clear evidence that the intermediary is empowered to do so by the policy wording);

- (iv) when, before the date on which the Road Traffic Act Liability was incurred, the Member has obtained a declaration from a court of competent jurisdiction that the insurance is void or unenforceable;
- (v) when, before the event giving rise to the Road Traffic Act liability, the insurance has ceased to operate by reason of a transfer of interest in the vehicle involved in the event, which the insurance purports to cover, and which transfer is proved by evidence;
- (vi) when the theft of the certificate of insurance was reported to the police (provided that the report was made within 30 days of the date of discovery of the theft);
- (vii) if the certificate of insurance has been forged by someone other than the Member or an intermediary acting on behalf of the Member or an officer, employee or agent of the Member or an intermediary acting on behalf of the Member, or
- (viii) if the event giving rise to the Road Traffic Act Liability occurred on or after 1 January 2019 and that liability has been caused by or

arises out of an act of terrorism as determined in accordance with the provisions of Annex 1 to this Article 75.

- (3) If there is more than one Article 75 Insurer in respect of a particular vehicle then the handling of any claims will be by agreement between the Article 75 Insurers (and, in default of agreement, as determined by the Technical Committee) and the costs of handling and settling the claims shall be shared between those Article 75 Insurers proportionate to the number of policies issued.
- (4) Where a Member contends that it is not the Article 75 Insurer, for whatever reason, the burden of proving such contention, on the balance of probabilities, shall rest upon such Member.
- (b) **'certificate of insurance'** shall mean any document being or purporting to be a certificate complying with the Motor Vehicles (Third Party Risks) Regulations 1972 (SI 1972/1217) or subsequent or equivalent legislation, including documents which are or purport to be temporary cover notes or green cards (as such latter term is defined by Article 1(5) of Directive 2009/103/EC);
- (c) **'execution date'** shall mean the date upon which the original judgment creditor became entitled to enforce a Road Traffic Act Judgment against the judgment debtor;
- (d) **'insurance'** shall mean the issue of any document or promise by or on behalf of a Member, whether legally or otherwise, purporting to effect cover against Road Traffic Act Liability, whether or not a certificate of insurance has been prepared, issued or delivered (and notwithstanding that the certificate of insurance, if any, may be void or voidable) and includes the issue of a security under the Road Traffic Act 1988 or any subsequent statute or equivalent legislation in the Relevant Territories or a relevant foreign country. Where, after 1 January 2002, a record is held on the MID, the existence of such a record covering the date of an event shall, unless there is documentary evidence to the contrary, be sufficient to establish the existence of 'insurance' for the purpose of this Article;
- (e) **'judgment debtor'** shall mean a person against whom a Road Traffic Act Judgment has been obtained;
- (f) **'original judgment creditor'** shall mean the person in whose favour a Road Traffic Act Judgment was given and who is entitled to enforce it and has complied or is able and willing to comply with the conditions precedent to the Bureau's

liability as set out in any of the agreements entered into from time to time by the Bureau for the purposes of satisfying Road Traffic Act Judgments;

- (g) **'relevant foreign country'** shall mean:
- (1) a country having a compensation body or guarantee fund as required under Article 24 of Directive 2009/103/EC with which the Bureau has concluded an agreement pursuant to Article 24(3) of such Directive;
 - (2) any country having a national insurers' bureau (as defined in Article 1(3) of Directive 2009/103/EC, a **'Green Card Bureau'**), with which the Bureau has concluded an agreement under the Green Card System;
- (h) **'Road Traffic Act Judgment'** shall mean a judgment obtained in a court of competent jurisdiction in respect of a Road Traffic Act Liability;
- (i) **'Road Traffic Act Liability'** shall mean such liability (whether arising out of negligence, breach of statutory duty or otherwise) arising out of the use of a motor vehicle on a road or other public place :
- (1) as is required to be covered by a policy of insurance or security under the Road Traffic Act 1988 or under the equivalent legislation in the Relevant Territories or a relevant foreign country; or
 - (2) as would fall within (1) above were it not for s144 Road Traffic Act 1988 or the equivalent provisions of any enactment within the Relevant Territories or of a relevant foreign country and is in fact covered by a policy of insurance;
- (j) **'satisfy the original judgment creditor'** shall mean to pay or cause to be paid to the original judgment creditor such sum as is due and outstanding under a Road Traffic Act Judgment (including assessed costs or such proportion of the assessed costs as is attributable to the Road Traffic Act Liability) on terms that the judgment is assigned by the original judgment creditor to the Bureau;
- (k) Where something must be done within a specified period of days after a date or an event, the period shall begin on the day following that date or event and the days shall be taken to be calendar days.

(3) **Obligation to satisfy judgments**

- (a) If a Road Traffic Act Judgment is obtained, the Article 75 Insurer will satisfy the original judgment creditor if and to the extent that the judgment has not within seven days of the execution date been satisfied by the judgment debtor.

- (b) The making of any payment by an Article 75 Insurer under paragraph (3)(a) of this Article shall not entitle that Member to any reimbursement in respect thereof from the Bureau.
- (c) Subject to complying in all respects with this Article 75, nothing contained in this Article shall affect or be deemed to affect any right of a Member to indemnity or contribution from another Member whether such right arises at common law, by statute, from a claims sharing or other agreement, by subrogation or by assignment of the original judgment creditor's judgment and all such rights shall be determined according to the facts and circumstances of each particular case without reference to this Article.

(4) **Satisfaction of claims by the Bureau**

- (a) If it appears to the Bureau to be expedient, the Bureau may itself, at its discretion, settle or compromise any claim in respect of a Road Traffic Act Liability or satisfy any Road Traffic Act Judgment and in any such case the Bureau shall be entitled to recover the sum paid by it (including in respect of costs in accordance with Article 75(5)(k)) from the Article 75 Insurer or the Insurer.
- (b) Where, in a claim received by the Bureau on or after 1st May 2017, the Bureau has paid a claim for a policy excess under the terms of the Untraced Drivers Agreement dated 7th February 2003 ('the 2003 Agreement') (as amended) or the Untraced Drivers Agreement dated 28th February 2017 ('the 2017 Agreement'), the Member who issued the policy under which the policy excess operated shall reimburse the Bureau the amount it has paid including any contribution towards legal costs applicable under the 2003 or 2017 Agreements.
- (c) Where, in a claim received by the Bureau on or after 1st August 2017, the Bureau has paid a claim for a policy excess under the terms of the Uninsured Drivers Agreement dated 13th August 1999 (as amended) or the Uninsured Drivers Agreement dated 3rd July 2015 (as amended), the Member who issued the policy under which the policy excess operated shall reimburse the Bureau the amount it has paid including any associated legal costs.

(5) **Disputes**

All cases giving rise to a dispute involving the Bureau (reference to 'the Bureau' here to include cases involving an insurer acting as Article 75 insurer) and a Member or Members in relation to the interpretation, application or implementation of this Article 75, at all times being matters falling within the powers of the Technical Committee as defined in Article 74, shall be dealt with under the following rules of procedure:

- (a) A Member involved in a dispute or potential dispute shall ensure that the matter is handled by a claims manager or person with similar experience. It is recognised that external legal representation might interfere with the objectives and principles set out in paragraph (1) of this Article and accordingly external legal representation shall, subject to paragraph 5(f)(iii) and any arbitration process followed thereby, not be permitted for the purposes of this paragraph (5).
- (b) The Bureau shall contact a potential Article 75 Insurer via its appointed Bureau claims representative at the earliest practicable opportunity and give formal written notice of its possible involvement. The Bureau must give such formal written notice within 3 years of the date of first notification of the claim to the Bureau, no later notification shall be made by the Bureau.
- (c) Within three months of the date of the giving of the notice of possible involvement, the Member shall complete any investigations required and advise the Bureau or the Bureau's handling office, in writing, whether it will be meeting the victim's claim wholly or in part and, if there is a valid defence, setting out the basis upon which the claim will be resisted.
- (d) Should the Member or the Bureau accept its obligation to deal with the case, it will only be permitted to resile from that acceptance within 3 months of it or otherwise only in exceptional circumstances.
- (e) Should the Member not accept its apparent obligation to deal with the case or not respond to the Bureau or the Bureau's handling office within the time period mentioned in paragraph (c) above, the Bureau shall prepare a 'Statement of Facts' and submit it to the Member together with its submissions as to why the Member should deal with the case.
- (f) Unless the Bureau and the Member agree an alternative method for dispute resolution to that set out in this paragraph, then within 21 days of receipt of the 'Statement of Facts' and submissions from the Bureau in accordance with paragraph (e) (or such extended period as the Bureau and the Member agree before expiry of this 21 day period), the Member shall respond to the Bureau:
 - (i) signifying its approval of the 'Statement of Facts' and providing its own submissions as to why it is not obliged to deal with the case, or
 - (ii) submitting comments on the "Statement of Facts" and providing its own submissions as to why it is not obliged to deal with the case, or
 - (iii) requiring the dispute to be dealt with by way of arbitration in accordance with the provisions of Part A to Annex 2 to this Article 75. If the Member

indicates this requirement, then the Bureau cannot object and the dispute must proceed by way of the Part A Annex 2 arbitration process such that the remaining provisions of Article 75(5) and the provisions of Article 75(6) shall have no application. The Member shall not be permitted to require the application of the Part A Annex 2 arbitration process if the Member has not indicated its requirement for this process in accordance with this subparagraph within the 21 day time period (or any other time period agreed between the Bureau and the Member).

Where more than one Member is involved in the dispute, the process described in this subparagraph will be followed if any Member involved requests it.

- (g) Where the case is handled by a handling Member (as described in Article 77), the handling Member shall either (i) send the Statement of Facts, together with any accompanying submissions from the Member and the handling Member to the Bureau within a further 14 days, whether or not agreed by the Member or (ii) send the Statement of Facts and the handling Member's submissions together with confirmation that the case is to proceed by way of the Part A Annex 2 arbitration process (following the Member's indication to that effect) within a further 14 days.
- (h) Subject to paragraph (4) of this Article (Satisfaction of claims by the Bureau), the victim's claim shall continue to be processed whilst the dispute is in the course of being resolved.
- (i) Save where the Member has indicated a requirement for the dispute to be resolved by way of the Part A Annex 2 arbitration process (in which event the Technical Committee shall play no role) and subject to paragraph (6) of this Article (Right of Appeal), the Technical Committee shall determine the Member's involvement or otherwise in a pragmatic rather than a strictly legal manner (with a view to furthering the objectives set out in paragraph (1)(a) of this Article) on the basis of the Statement of Facts, whether or not agreed by the Member, and no further evidence may be admitted, save in exceptional circumstances as may be agreed by the Technical Committee at the time (and only upon payment to the Bureau of a fee of £5,000 to reflect the additional administrative burden of considering such further evidence).

Notwithstanding the foregoing, the Technical Committee on behalf of the Bureau may waive the fee in whole or in part.

- (j) If:

- (i) the Technical Committee decides any issue against a Member; or
- (ii) the Member withdraws from the dispute after 21 days (or after the expiry of whatever period has been agreed) of the issuing of the Statement of Facts under sub-paragraph (e) above; or
- (iii) the Member shall fail within 21 days (or within whatever period has been agreed with the Bureau) of the Member's receipt of the Statement of Facts under sub-paragraph (e) above to signify the Member's approval of such Statement of Facts or submit comments or submissions;

that Member shall, in the case of sub-paragraphs (i) and (ii), within 14 days of the relevant event, reimburse the Bureau any expenditure in connection with the case or deal with the claim as may be appropriate and, in any case, pay to the Bureau a fee of £5,000 in respect of each of sub-paragraphs (i)-(iii) that shall be relevant (up to a maximum, aggregate fee of £10,000).

Notwithstanding the foregoing, the Technical Committee on behalf of the Bureau may waive the fee in whole or in part.

- (k) All costs and disbursements reasonably incurred by the Bureau or the Member (as appropriate) shall follow either (i) the Technical Committee's decision (subject to appeal in accordance with paragraph 6 of this Article) or (ii) an acceptance by the Bureau or the Member (as appropriate) of its liability for the third party claim prior to a determination by the Technical Committee, save in either case that solicitor's costs incurred in relation to advising on the dispute (as opposed to dealing with the third party claim) shall not be recoverable.
- (l) Notwithstanding the foregoing and the obligation set out in paragraph (3)(a) of this Article, nothing shall prevent a Member who may be involved under the terms of this Article from electing, with the agreement of the Bureau, to handle the case until such time as the matter is determined by the Technical Committee.

(6) Right of Appeal (for any dispute decided by the Technical Committee rather than by way of Arbitration in accordance with the Part A Annex 2 arbitration procedure).

A Member affected by a decision of the Technical Committee under this Article 75 shall have a right of appeal against such decision in accordance with the following procedure.

- (a) The Member wishing to appeal shall give to the Bureau written notice within 30 days of the issuing of the final version of the minutes of the Technical Committee making the relevant decision.

- (b) The notice of appeal shall be signed by or on behalf of the appellant's Bureau claims representative and shall set out the grounds for the appeal. Written arguments and evidence upon which the appeal is based shall accompany the notice of appeal or follow within 30 days.
- (c) If the decision of the Technical Committee involved a Member other than the appellant, the Bureau shall, within 14 days of receipt of the appellant's arguments and evidence, forward the same to that other Member. The Members involved in the dispute other than the appellant shall each have 30 days (beginning with the day on which each is notified of the arguments and evidence of the appellant) within which to prepare and submit to the Bureau and all other Members involved in the dispute decided by the Technical Committee, any opposing arguments or evidence.
- (d) If the appellant or any other Member involved in the dispute shall put forward any evidence not put before the Technical Committee, the appeal shall be referred back to the Technical Committee for it to reconsider its previous decision in the light of the new evidence (and the remaining provisions of this paragraph 6 shall not apply).
- (e) Subject to sub-paragraph (d), at the expiry of the last of the 30 day periods referred to above, the Bureau shall propose to the appellant and any other Members involved in the dispute a list of three possible arbitrators, who shall each be Queen's Counsel (or, if such appointment shall cease to exist, a barrister of at least 15 years call). The Bureau, the appellant and any other Members involved in the dispute shall use their best endeavours to agree upon the identity of one arbitrator but, in default of agreement within 10 days of the Bureau nominating the list of three possible arbitrators, the matter shall be referred to the Chairman of the Bar Council for him to appoint an arbitrator of equivalent standing to that described above.
- (f) Upon the appointment of the arbitrator, the Bureau shall send to the arbitrator the written submissions of the appellant and any other Members involved in the dispute, referred to in sub-paragraph (c) above together with such written submissions as the Bureau may choose to make (copies of which shall be sent to the appellant and any other Members involved in the dispute).
- (g) The arbitrator shall decide the appeal on the written submissions and evidence alone but he may at any time request further written submissions (but not further evidence) from the Bureau, the appellant or any other Members involved in the dispute.

- (h) The arbitrator may decide that the decision of the Technical Committee was, having regard to this Article 75 and in particular the principles and objectives set out in paragraph (1) of this Article, reasonable or that it was not reasonable. The arbitrator may make no other finding in relation to the decision of the Technical Committee. If the arbitrator shall decide that the decision was reasonable, the decision shall stand. If the arbitrator shall decide that the decision was not reasonable, he shall determine the matter and his determination shall replace the decision of the Technical Committee in relation to that matter.
- (i) The arbitrator's fees shall be paid as he shall in his absolute discretion determine, save that if the appellant shall withdraw his appeal or any other Member shall withdraw its opposition to the appeal after the appointment of the arbitrator but before he notifies his decision to the parties, the arbitrator's fees shall be borne by the appellant or the other Member (as the case may be) alone. Without prejudice to the foregoing, in determining who shall be responsible for his fees and in what proportion, the arbitrator may take account of any failure by any Member involved in the dispute to co-operate with the arbitrator or abide by the terms of any procedures or timings laid down by the arbitrator or this paragraph 6 of Article 75.
- (j) If the arbitrator shall decide that any Member shall be required to pay the whole or part of his fees, such sum shall be paid to the arbitrator (or, if already paid by the Bureau, paid to the Bureau) within 14 days of the notification of the arbitrator's decision (and the provisions of Article 24 shall apply to such payment).
- (k) The decision of the arbitrator shall be final and binding upon the Members involved in the dispute and the Bureau and there shall be no further right of appeal from a decision of the arbitrator.
- (l) For the avoidance of doubt, each Member involved in the dispute which is the subject of an appeal shall be responsible for its own costs in preparing for the appeal and presenting its submissions.

(7) Claims involving interpretation of Uninsured Drivers' Agreement

Where a Member handles a claim (whether as a result of election on the part of the Member or by decision of the Technical Committee) as Article 75 Insurer, on behalf of the Bureau, applying the Uninsured Drivers' Agreement, the Member will notify the Bureau within 7 days of becoming aware of a dispute concerning the interpretation of the Uninsured Drivers' Agreement and provide copies and summaries of all procedural and other relevant documents.

Annex 1 to Article 75

Act of Terrorism:

In respect of an event which occurs in Great Britain

1. An act of terrorism has occurred where a certificate has been issued by HM Treasury declaring that an act of terrorism has occurred. This will be determinative of the issue and there can be no appeal from such a positive declaration.
2. Where, pursuant to a request by Pool Re to certify an event, HM Treasury refuses to issue a certificate, this will be determinative that an act of terrorism has not occurred unless —
 - (i) this refusal is appealed to an arbitrator by a person able to appeal pursuant to the Pool Re arbitration process or,
 - (ii) within 1 month of receiving notification from MIB of HM Treasury's refusal (or 1 month of the date of completion of any appeal through the arbitration process, if such appeal proves unsuccessful in that the refusal to issue a certificate is maintained), the Member challenges the refusal by referring the issue as to whether or not there has been an act of terrorism to arbitration in accordance with the provisions of Part B of Annex 2 to Article 75.

Where (i) occurs and there is no reference to arbitration by the Member in accordance with subparagraph (ii), the outcome of the appeal pursuant to the Pool Re arbitration process will be determinative and there can be no appeal from such a determination.

3. If within 3 months of the incident (or such shorter period as may be agreed between the Bureau and the Member) no certificate has been issued by HM Treasury or there has been no refusal to issue a certificate, either the Bureau or the Member (or both of them) may refer the issue as to whether or not there has been an act of terrorism to arbitration in accordance with the provisions of Part B of Annex 2 to Article 75.
4. Where the arbitrator is asked to determine whether or not an act of terrorism has occurred in accordance with either paragraph 2(ii) or paragraph 3, he shall make a determination by reference to the provisions of Section 1 of the Terrorism Act 2000 ('the 2000 Act').
5. Subject to paragraph 6 below, the decision of the arbitrator will be determinative of the issue as to whether an act of terrorism has occurred.
6. In any case where there is a determination by HM Treasury (as described in 1 or 2 above), save where the issue as to whether or not an act of terrorism has occurred is referred to arbitration in accordance with 2(ii), the outcome of that determination (whether a certificate is issued or not) will take precedence over the outcome of any arbitration process pursuant to Part B to Annex 2 to Article 75.

- (i) If the determination by HM Treasury is known before the Part B Annex 2 arbitration process has completed, then that process will cease immediately.
- (ii) If the determination by HM Treasury is known after the Part B Annex 2 arbitration process has completed, then the HM Treasury determination shall be determinative of whether or not an act of terrorism has occurred.
- (iii) Where the determination by HM Treasury is contrary to the outcome of the Part B Annex 2 arbitration process, the Bureau and the Member will adjust any payments already made so as to reflect the change.

In respect of an event which occurs in any other country where the Bureau has a liability

- 7. An act of terrorism has occurred where there has been a declaration issued by the government of the country in question (or by any body which is recognised by that government as having the responsibility to make such a declaration) declaring an act of terrorism has occurred. Subject to paragraph 9 below, this will be determinative of the issue and there can be no appeal from such a declaration.
- 8. Where a declaration (as described in paragraph 7 above) is issued to the effect that an act of terrorism has not occurred, this will be determinative of the issue and there can be no appeal from such a declaration.
- 9. Where there is no agreement between the Bureau and the Member as to whether the government of the country in question has made a declaration in accordance with paragraphs 7 or 8, this issue may be referred to arbitration either by the Bureau or the Member (or both of them) in accordance with the provisions of Part B to Annex 2 of Article 75.
- 10. If within 3 months of the incident (or such shorter period as may be agreed between both the Bureau and the Member) no declaration has been issued by the government of the country in question (or by any body which is recognised by that government as having the responsibility to make such a declaration) as determined in accordance with paragraphs 7 or 8, either the Bureau or the Member (or both of them) may refer the issue as to whether or not there has been an act of terrorism to arbitration in accordance with the provisions of Part B to Annex 2 of Article 75.
- 11. Where the arbitrator is asked to determine whether or not a declaration has been issued in accordance with paragraphs 7 or 8 or whether or not an act of terrorism has occurred in accordance with paragraph 9, he shall make a determination by reference to the law of the country where the event occurred save that, where he decides that there is no authoritative definition of an act of terrorism in that country, he shall make his determination by reference to Section 1 of the 2000 Act.

12. Subject to paragraph 13 below, the decision of the arbitrator will be determinative of the issue as to whether an act of terrorism has occurred.
13. In any case where there is a determination by the government of the country in question (or by any body which is recognised by that government as having the responsibility to make such a declaration) as described in paragraphs 7 or 8 above (“a government determination”), the outcome of that determination (whether the declaration is to the effect that an act of terrorism has been committed or not) will take precedence over the outcome of any arbitration process pursuant to Part B of Annex 2 to Article 75.
 - (i) If the outcome of a government determination is known before the Part B Annex 2 arbitration process has completed, then that process will cease immediately.
