The success of Op Tutelage means the insurance industry can support the police in getting the most dangerous drivers off our roads as soon as possible.

Impact of Operation Tutelage

Operation Tutelage continues to drive behaviour change, as well as identifying secondary offences.

Registered keepers who were sent an Op Tutelage letter were **4.4 times more likely to get insurance** for their vehicle than those who were not sent a letter

A new insurance policy was taken out **every 3 minutes** in 2023 due to Op Tutelage

62.7% of vehicles stopped and seized due to a Tutelage marker were identified to have secondary offences
